Gentlepeople:

I have known Ashia McGee, the CEO of Celebrity CEO, Inc. for over ten years. During that time, she and her partners have built up several businesses in the television, cable, internet and advertising arenas.

I met Ashia McGee and represented Urban Mix TV, the company she partly owned, at the National Association of Televisions Producers annual conference in Miami over ten years ago. Since that time, Ms. McGee has developed several TV series involving celebrity and executive interviews under different corporate umbrellas, two of which are listed below which include links to the programs.

Her companies and their productions are available to be viewed either on the internet, TV, or cable, depending on their distribution.

Ms. McGee has a catalog of interview programs; each Series contains unique material and is under a separate corporate umbrella. These programs showcase Ms. McGee's interviewing skills. Ms. McGee owns all of the content and material in these programs and has no outside investors at this time.

A review of the production dates of the programs of each series indicate that many of the programs were broadcast prior to January 1, 2020, and that the entities which own these programs existed prior to January 1, 2020. Listed below are the links and websites for the current programs, series, and projects.

Celebrity CEO, Inc. www.celebrityceotv.com – Established January 2015

This TV series features Celebrity CEO's and the businesses and products they own. The series have featured "Shark Tank" judges, Mark Cuban's CEO, Daymond John, and Ricky Ray Butler, the CEO who has successfully partnered with Microsoft and Bill Gates. The Series mission is to explore and understand what drives these CEOs, have them describe their missions and showcase their newest products. The goal is to interview the people behind the scenes in these successful business empires.

**The Best of Atlanta Nightlife & Dining, Inc. www.bestofatlantageorgia.com –
Established July, 2008**

This Series features Atlanta at its finest. The programs contain dozens of celebrity interviews, show snippets of concerts from ATLANTA'S hottest stars, and the goal is to interview everyone --from Keyshia Cole, LeToya Luckett, TI, to Keri Hilson. We take our audience to the BET hip hop awards in Atlanta Georgia, and to the nightlife and dining experiences that these Atlanta celebrities enjoy.

Thank-you for your consideration.

Sincerely,

MANDELL MENKES LLC
